Foreword

Dear Wholesalers, Distributors & Shopkeepers,

I am glad to have you as partners in this wonderful journey that enables us in fulfilling the expectations of settlers and Europeans through our business operations. I thank you all for the fabulous job you have been doing all these years along with NRG Imports.

We are happy to enrich our catalogue with more brands and product lines. This catalogue is a simple guide that takes you through a comprehensive list of all our services. Hope this will be of great help in training your staff and communicating with our staff for your orders as it gives a picture-perfect image of the products.

We are planning to expand in many more countries this year and we seek your cooperation and support as always. Feel free to share your opinions/feedback as we are happy to grow!
