“We are totally asian”

More than 80 years of experience

Asian Food Group is a fusion of three specialized Asian food companies. A new company where different cultures, knowledge and heritage meet. Together we have over 80 years of experience in the food market, enabling us to offer you a wide range of Asian (non-)food products throughout Europe.

In all these years, we have built and maintained strong relationships with different suppliers originating from the Asian continent. We partnered up with trustworthy suppliers from countries including Vietnam, China, Indonesia, Thailand, the Philippines, South Korea, Malaysia, Japan, and many more. Therefore, we can offer you a wide range of Asian food- and non-food products.

Our experience and broad assortment can give you the right advice to grow your business. Our journey starts where cultures meet. Believing we can achieve more together, so let us also connect!
